4. Requesting a Study Abroad Stipend

- Turn in the attached form to the Study Abroad Programs Office (1st floor of The Pavilion).
- Request forms are routed to Scholarships & Financial Aid.
- Requests should be made at least 30 days in advance of your program date/travel. Retroactive requests will not be considered.

5. Processing Your Study Abroad Stipend

Study Abroad Programs Office will verify the student will participate in an approved study abroad experience. Scholarships & Financial Aid will ensure the student is meeting the requirements of their scholarship, is eligible for the stipend, and will post the award to the student's Financial Aid Portal. It is the student's responsibility to be aware of the balance due for their trip and arrange any payment prior to the applicable deadline.

- Requests should be made at least 30 days in advance of your program date/travel. Retroactive requests will not be considered. Requests submitted less than 30 days prior may not be applied before due dates.
- Students should consult with their study abroad program coordinator regarding payment and registration deadlines for their study abroad experience.
- Students should consult with a Scholarships & Financial Aid Advisor regarding additional financial options and support for their study abroad experience, including scholarships and loans.

Questions regarding the Academic Scholarship Study Abroad Stipend should be directed to Scholarships & Financial Aid at 979-845-3236 or scholarships@tamu.edu.
