You can move into your residence hall on Sunday, August 19th or on August 15th for members of the Corps of Cadets. Below are some tips and suggestions to make moving in easier.

1) **Complete your online Move-In Orientation before getting to campus through the myHousing Portal.** You won’t be able to get your key without it.

2) **Pack light, but bring the essentials.** Really think about what you’ll use and need and check if it’s allowed on Reslife’s Packing List.

3) **Check the map and find your hall before you leave home.** The campus is big and you don’t want to unload your stuff in the wrong area and have to hoof it to your hall in the heat!

4) **Dress comfortably!** It is hot and humid in College Station, so wear comfy clothes and bring help if possible. There will be volunteers and water stations located around campus to help you move in on Sunday, August 19th.

5) **Pay attention to the signs on campus.** If it says no parking, don’t park there even for a couple minutes. You don’t want to start college with a $40 parking ticket. There are also helpful signs to help you find your way if you are turned around.

6) **When you get to your hall, check in first to get your key.** Bring a photo ID card with you to check in and make sure you’re in the right place.

7) **Check over your room, furniture, and bathroom and report any issues.** If something isn’t working or is damaged, you want to make sure the hall staff knows so you don’t get charged for the damage at the end of the year.

8) **Unload everything to the sidewalk, then bring your stuff up to your room in loads.** If you have another person with you, one of you can park the car while the other waits with the stuff on the sidewalk. This will help prevent getting you a ticket.

9) **Drink water and take breaks. I cannot stress enough how hot it will be. Take care of yourself and your family.**

10) **Need help? Ask!** There will be plenty of helpful Aggies around who would be happy to help.
